your options

the lover session // let's make magic together! the lover session includes one hour of photo + video coverage in a location of your choosing. we know it sounds crazy, but we really can't wait to step into your world. 50+ photos and 30-60 second video.

photo + video packages begin at \$700

the essential session // sometimes - most times - an hour just isn't enough to capture the love that will last a lifetime. that's why we have the essential session. you pick the date and time, and we'll follow along with our cameras for an hour and a half to capture those unique candid moments you see scrolling through the ig feed. this session gives us enough time for multiple outfit and a location change if desired. 75+ photos and 60-90 second video.

photo + video packages begin at \$1000

the adventure session // do you know how much we love to explore? even the places we know by heart. adventure engagements are definitely one of our all time favorites because they let us get out and explore together. we're with you for three hours. you pick the time and starting location and we'll spend our time capturing your love. we can hike through the woods, explore your hometown, or anything and everything in between. or feel free to put us in the steering wheel and we'll find us somewhere fun to go with something fun to do. unlimited outfits and locations. 125+ photos 90-120 second video.

photo + video packages begin at \$1500
